

CRAFTS IDEAS SPINNER

- First, cut out the circle and laminate or put in a plastic sheet protector to reuse anytime.
- Write down the crafts ideas from the list in each triangle.
- Next, place a paperclip right in the middle.
- Then, hold a pencil straight down through the end of the paperclip to pin it in place.
- Now for the fun part — let your kids flick the paperclip and watch it spin and choose their craft for the day
- Enjoy your spinner
